Note:

1. Students are informed that in the University's B.Ed. College Major Subject choices they select during online application in Phase-1 are conditional as per subject professor in colleges.

2. Furthermore, students must select the appropriate form type based on their educational qualifications while applying to a particular program. Details about which form type to choose for registration in a specific program are available in the **"News, Updates & Circulars"** section on the GCAS portal homepage. Please note carefully that registration fees are non-refundable.
