Subject: Clarification on CGPA to Percentage Conversion offered by The Maharaja Sayajirao University of Baroda for GCAS Applications

Dear Sir / Madam,

Greetings of the Day!

The Maharaja Sayajirao University of Baroda wishes to bring to your attention an important matter regarding its students' mark sheets and their applications to the Gujarat Common Admission Service (GCAS).

At the Maharaja Sayajirao university of Baroda, most of the programme's results declared are in the direct or indirect grading system, and therefore, traditional marks are not available on the mark sheets. The university provides students' results in the form of a Cumulative Grade Point Average (CGPA).

The conversion formula the university uses to calculate the Percentage is $CGPA \times 10 =$ Percentage obtained.

The grading table as follows:

Direct/Indirect Grading Scheme Table:

Letter Grade	Grade Points	Description	% of Marks	Range of Grade Points
O	10	Outstanding	$90.1\% \leq M \leq 100.0\%$	9.01 – 10.00
A	9	Excellent	$80.1\% \leq M \leq 90.0\%$	8.01 – 9.00
B	8	Very Good	$70.1\% \leq M \leq 80.0\%$	7.01 – 8.00
C	7	Good	$60.1\% \leq M \leq 70.0\%$	6.01 – 7.00
D	6	Fair	$50.1\% \leq M \leq 60.0\%$	5.01 – 6.00
E	5	Average	$40.0\% \leq M \leq 50.0\%$	4.00 – 5.00
F	4	Dropped	$0.00\% \leq M < 40.0\%$	< 4.00

The existing application form developed by GCAS asks for the obtained marks / external obtained marks entry mandatory. As Maharaja Sayajirao University of Baroda students will not have marks in their marksheet, it is not possible for them to put the same due to which they will be unable to apply for further PG studies through the GCAS portal. However, the university certifies the conversion of CGPA to the equivalent of securing marks using the following formula:

$CGPA * 100 =$ _____ marks out of 1000 marks.

You are hereby earnestly requested to consider the following in the case of the students of The Maharaja Sayajirao University of Baroda having grades on their marksheets:

1. Consider the marks obtained by students out of 1000 using the conversion formula mentioned above.
2. As The Maharaja Sayajirao University of Baroda does not provide internal and external marks in the marksheet, please permit students of The Maharaja Sayajirao University of Baroda to fill out the application form with the total obtained marks only.
3. Allow students of the Maharaja Sayajirao University of Baroda to put their semester-wise percentages obtained by them as mentioned in their marksheet.
4. However, The Maharaja Sayajirao University of Baroda mentions percentage (%) in the marksheet as other university does. If percentage (%) can be considered as the base instead of marks, it will be feasible for The Maharaja Sayajirao University of Baroda and other universities to deal with the GCAS portal & process for PG admission and merit.

You are further requested to consider the above positively, take the necessary action in the matter, and inform all other universities, institutes, and colleges to consider the above for The Maharaja Sayajirao University of Baroda students while preparing their merit list / checking eligibility for the purpose of giving admission at their university's program.

Looking forward to your kind attention to the matter.

Should you need any further information from the university, please let the undersigned know.

Thanking you.

Your Sincerely,

Registrar(Offg.)
